Alan - we're in the process of posting the power point presentation on to the public web site...should be up soon (you're not the only one interested in it!).

	Subject	Follow-up Question

Dave,

Is there a PDF of the presentation materials from the harbor cleanup monthly meeting on January 28th. I tried to make it to the meeting, but life got in the way of my evening. I was just looking to see if there was more information on the potential application of CAD cells to the Lower Harbor portion of the cleanup.

The best way to reach me is my cell phone (617.834.5847) is you have any questions.

Thanks, Alan
